HINT:

Whichever way you decide to travel to the apartment, most local people seem to be familiar with **Bama Home Designs in Santa Maria**. We would suggest using this as a reference when ordering taxis, having food delivered, speaking to bus drivers and so on.

Parking.

If you have a car or scooter, there is free parking in the car park on a first come first serve basis. There are no allocated spaces. You may find more cars in the car park during the day due to the staff and customers at Bama Home Design, however we have never found parking to be an issue. Simply drive up the Yellow ramp. If the gates happen to be closed, these should slide open manually. If you have a bicycle you can use your lock and store it inside the stair block.

Arriving by train.

It is recommended to arrive at Scalea train station. The apartment is located approximately 10 minutes taxi drive away. Taxi prices vary depending on the time of year. They generally range from approximately 15 to 25 Euros. We would suggest pre-booking a taxi to meet you at the train station and confirming the price at that time.

Arriving by bus.

If you arrive by bus from the north (Scalea), the bus stop is located approximately 100 metres before the **Bama Home Designs** on your left hand side. You will also see a red and white painted building just after the bus stop. This is the **Apparthotel Residence Rivieri dei Cedri**.

WiFi & TV.

While we don't offer an internet connection / WiFi data at the moment, we do have a 4g router which you are welcome to make use of. This is located on the side table in the lounge area.

- **YOU WILL NEED TO BRING YOUR OWN SIM CARD TO USE THE WI-FI ROUTER**
- **THERE IS NO FREE TV AVAILABLE**

Unfortunately, we have never been able to tune into the building's TV aerial. However, the TV is connected to the router so if you have a Netflix, YouTube or Amazon Prime Video you can login TV once you have your SIM card in the router. You can also use your own media USB stick.

To add a SIM card to the router, you will see a micro-SIM card slot located on the back of the router. The SIM card only fits one way so please do not force it into the slot. Once the SIM card is in you should feel it click. To remove your SIM card just push the SIM card in lightly and it should pop back out again.

THE ROUTER NAME IS: **TP-Link_D5E8 4g Router**

THE PASSWORD IS: **Apartment9**

General useful information.

Facebook. We would recommend checking out local Facebook Group called **Scalea 87029+** The group is very useful for asking for help and advice but is also a useful source of up to date local information. There are handy tabs at the top of the group with useful Guides & Events.

<https://www.facebook.com/groups/442921089246101>

Mops & buckets are stored outside on the balcony.

Smoke Alarms. We have two smoke alarms. One in the kitchen above the fire blanket. One is in the bedroom above the light switch. The lights flash red from time to time to show they are working. This is normal. If the batteries run low, they will make a 'beep' noise. To stop this noise you can replace or temporarily remove the batteries. If you remove the batteries please let us know so we can replace them. To access the batteries, please gently rotate the smoke alarm to the left and remove from the wall. They are secured to the wall by magnets and should come down easily.

The Carbon Monoxide Detector is located below the fireblanket in the kitchen. This also makes a 'beep' noise when the batteries power is low. This can be removed by simply sliding it upwards and it should lift away from the wall.

CASA MONTE MARE

Santa Maria del Cedro

Rubbish disposal. If you need to dispose of your rubbish you will find the bin store to the left hand side of the building at the rear in a wire cage.

There is a **Freestanding cooling unit** in the bedroom. This is easy to use. Simply fill up the unit with water in the side door (and we recommend adding a single big ice pack), before switching it on. The water should evaporate during continued use. Excess water can be drained when you have finished, using the rubber bung at the back. We suggest holding it over the bidet to empty or standing in the shower area.

TRAINS

- There are train stations at **Marcellina** and **Scalea**. The main station is Scalea and this is the one we would recommend because the taxis are more convenient and it is just a walk to the buses. The trains are convenient and can take you
- Trenitalia is the most popular train serving Scalea, followed by ItaloTreno. The train journey from Scalea to Naples takes 3h 08m or a 4h 30m trip from Rome. The train station in Scalea is **Scalea-Santa Domenica Talao** and is located 0.5 km from the city centre.

CAR & SCOOTER HIRE

- **JAD** are based in Scalea, not far from the train station. They are a car hire and scooter rental agency. Daily rates vary depending on the type of vehicle, the KMs you wish to travel and the month. However, as an approximate guide they seem to charge around 40 Euros per day for a small local car. There are discounts for weekly hire. JAD also hire scooters with helmets. These are a similar hire cost.

Beaches, Lido's & Swimming Pool.

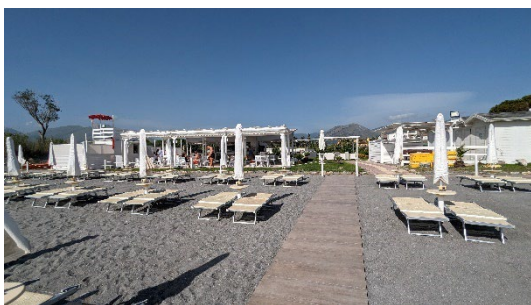

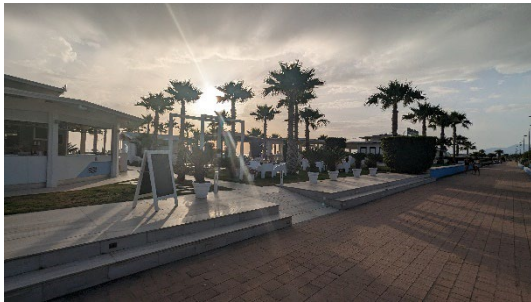

The beaches are easily accessible from the apartment.

Head out of the front of the building and across the road. You will find a small road to the left hand side. **Walk just 2/3 mins to the beach front.** There are many other roads leading from to the beach along the main road.

You will find Lido's located up and down the beach right along the coast. There is also plenty of free beach space.

Lido's typically charge around 10-14 Euros per day for 2 people with sunbeds and a parasol but please bare in mind that the Lido's are seasonal and typically open between mid-June and mid-September and that the price they charge varies depending on the month.

However, you do not typically need to pay to use the bar or restaurant areas.

Gandhi Hotel Swimming Pool

There are also hotels which offer use of the swimming pools for a daily fee, like the Lido's.

We like the Gandhi Hotel, which is just a **5 minute walk** from the apartment. They typically charge around 5 Euros per person per day depending on the month. The swimming pool is seasonal. Please check with the hotel in advance if you are interested in using the swimming pool. You pay at the hotel reception and take your ticket to the pool area. Gandhi Hotel does not seem to have a sign for the hotel at the moment so we have included a photo and map for you to find this.
